Dear Mr. Barnes,

I am certainly honored by your invitation to address the St. Louis Round Table in November. While I am most pleased to accept, I regret I must do so with the understanding that world events may later necessitate that I cancel or postpone. If this is acceptable, I shall plan on attending Tuesday, November 25th.

My assistant [redacted] will keep your staff apprised of my plans as well as any other pertinent information you may need.

I look forward to this event. Let's hope the current anomalies of international relations permit fulfillment.

Yours sincerely,
